

Marital Breakthrough

I had believed God to get married for ten years. At a point, people started mocking me and saying who will marry this one. At Shiloh 2015, I attended the marital breakthrough class, and we were told to write in our Bibles the date we wanted to get married. Bishop Aramu said that even if we didn't get married on that date something would happen for us. I believed, and I wrote April 15th, 2016.

During the 21-day Prayer and Fasting in January 2016, I obeyed the instructions to separate my prayer requests into three-day slots and to ask God questions. So I asked God why wasn't I married yet? He told me to camp with him. So on the last four days of the fast, I put aside everything and went to camp with God. On the second day, I met my husband.

We did our introductions on April 15, 2016, and we were gloriously married in August 2016. This to a man who had no intentions of getting married due to a bad experience he had in his last relationship. I return all the glory to God.

MIRACLE MARRIAGE

One Night with the King Testimony

Over the years I put myself through meaningless relationships, which became a pattern for over ten years. I was going in and out of relationships.

I wanted to settle down, but I subjected myself to fornication and things that did not please God. In December 2014, I was finally fed up with this trend and asked God to take over just before Shiloh that year. In January 2015, I faithfully partook of the 21-day prayer and fasting with a special request to God to order my steps through the year. I rededicated my life to Christ in earnestness and sincerity that year; obeyed all the instructions from the altar, joined the Ushering department, attended the Outreaches and the Covenant Hour of prayer regularly. I also keyed into testimonies of glorious marriages and read books on marriages authored by Mrs. Oyedepo. At the Youth Alive Forum, that same year 2015, I waited on the Lord in a personal three day dry fast asking God for His grace to see clearly. At the feet washing service that year I got my confirmation with a burning sensation that had me dancing like it was my wedding day!

Between March and December 2015 a distant friend from 2010 showed serious interest. He was a perfect gentleman and respected me from day one. That same year 2015, on the 23rd of December, he proposed and on the 17th of December 2016, we gloriously got married.

I return all glory to God.

MIRACLE MARRIAGE AND BABY

SHARP SHARP GOD

During the 21-day Prayer and Fasting of 2015, Papa (Bishop David Oyedepo) said we should pray for others especially those with the same challenge. Thus, I prayed for all the singles that I knew including the one who refused my hand in marriage. I also prayed for those believing God for the fruit of the womb. At the last breakthrough night service in 2015, God showed up. I met my wonderful husband at the church restaurant, and we were gloriously married on Dec 19, 2015. In January 2016, I was unable to finish the fasting because symptoms of pregnancy were already showing up even though I had my monthly flow that same month. To the glory of God, I delivered safely, Immanuel on October 5, 2016. I appreciate the God of Bishop Oyedepo who gave me the grace to fast and pray for others.
